

The mission of the project Sowers of seeds of Truth

Sharing to increase curiosity

The mission of this project is to encourage curiosity and exploration of spiritual truths while increasing receptivity for the Urantia Book and its teachings.

Our Approach: to sow, not to convince

PROJECT PHILOSOPHY

We encourage genuine curiosity and personal exploration, allowing everyone to discover the truth at their own pace.

Sincere invitation

The role of the Sower is to offer a warm invitation without pressure, allowing others to let their own spiritual understanding germinate.

The Role of the Sower: Offering a Sincere Invitation

A DISCOVERY INVITATION

As sowers of seeds, we offer an authentic invitation to explore spiritual truth without pressure or proselytism.
